Re: United States v. Kevin Robles  
18 CR 236 (KPF)

Dear Judge Failla,

I write with the consent of the government (AUSA Ryan Finkel) to request an adjournment of the violation of supervision hearing currently scheduled for June 23, 2020.

Mr. Robles has been ordered to participate in in-patient mental health and drug treatment. A bed was located for him at Samaritan Village, but because of the COVID-19 pandemic, the program stopped allowing new participant inside the facility. The out-patient program has just began taking new patients and Mr. Robles was able to start that problem this week. He will transition to the in-patient program when feasible.

Accordingly, I request the adjournment so that we have an opportunity to receive a meaningful update from both the program and probation about Mr. Robles' progress.

Thank you for your consideration of this request.

Respectfully submitted,  
/s/
